**The Philadelphia Doo Wop Festival for Veterans will bring out the “Who’s Who” in the Philadelphia Doo Wop scene and in doing so will raise awareness and charitable funds for our local Veterans. The awareness and funds that are raised will be a direct reflection of the Philadelphia spirit displayed by all of the contributors related to the event as well as the supporters in attendance. The ultimate goal is to support our local Veterans and show our grateful appreciation for them by providing significant financial support for the Philadelphia Veterans Multi-Service & Education Center.**
